Statement of Purpose

I, Anurag Shelar, am from D10 class, Information Technology Department. I would like to be the SE Coordinator for ISTE to help organize fun and technical events and learn a lot.

Why do I need ISTE?
ISTE would be a great platform for me to get in touch with my seniors and learn a lot from them. It would also provide an opportunity for me to organize technical and fun events and showcase my talents. It would be a great platform to learn time management and enhance my skills.

Why ISTE needs me?
I am a very smart, enthusiastic and sincere person. I can work very well with a team, and ensure smooth and effective working of the same. I am a good listener and thus I can be of help in tricky situations.I respect every person's view within an organization and try to voice my opinion.
